AWAS'AK WIYASIWEWIN

Stay Connected: Follow Awasak Wiyasiwewin on Facebook

To ensure you never miss out on our upcoming events, community sessions, or important announcements, we encourage all members to follow our official Facebook page, Awasak Wiyasiwewin. This is our primary hub for real-time updates, where we share everything from program calendars and registration details to photos of our recent successes in the community. Whether you are living in the community or residing in one of our urban locations, staying connected online is the best way to get up-to-date information delivered straight to your feed. Join our digital community today and be the first to know what's happening next!

Green - askihtākwāw - Peerless Lake

Purple - ka āpihtimihkwak - Edmonton

Brown - kaskit̄ew-os̄awāw - Peace River

Pink - kokenewapikoneyak - Slave Lake

Urban Locations

February Highlights

February was an exciting month for our growing urban hubs in Edmonton, Peace River, and Slave Lake.

We are dedicated to staying connected with our founding members who reside outside our home communities, and it has been wonderful to see these new spaces come to life through shared experiences. In Edmonton, we hosted a diverse calendar of events, including a lively Spaghetti & Paint night, a Stay & Play session, and creative workshops like baby blanket making, rock candle crafting, DIY laundry basket organizing, and general craft nights. Our Peace River and Slave Lake locations also saw fantastic engagement, with residents enjoying hands-on workshops like apron making, Valentine craft nights, and Valentine basket making. We are thrilled with the initial turnout and look forward to welcoming even more members as we continue to roll out new programming in these urban centres.

SLAVE LAKE

EDMONTON

Peerless & Trout February Highlights

Our PTFN Community programs truly captured the spirit of the season this February with a heart-warming two-day Elders Gift Basket initiative. The event kicked off with a dedicated group of PTFN youth coming together to prepare a variety of treats. On the following day, these same youth hand-delivered the finished gift baskets directly to our Elders' doorsteps. It was a beautiful display of intergenerational connection that left our Elders feeling incredibly loved and appreciated this Valentine's.

In addition to our youth-led initiatives, we brought families together for a high-energy Family Sledding Day, making the most of the winter season with some outdoor fun. We also hosted a practical DIY Laundry Hamper making session, where participants built functional items for their homes. Both events were fantastic opportunities for community members to connect, stay active, and learn new skills.

Loon River February Highlights

February was a productive and heart-warming month for our Loon River community sessions, with a fantastic turnout for every event. We focused on a blend of practical skills and personal well-being. Our Positive Parenting course provided a supportive space for families to connect and share strategies. Our hands-on DIY Bathroom Shelf making session was a hit with those looking to build something functional for their homes, and our Valentine's Bath Bomb session brought a creative, relaxing touch to the month. Each of these sessions was exceptionally well-attended, and we are so grateful to the Loon River members for their continued engagement and enthusiasm

Lubicon February Highlights

February was a month filled with connection and growth as we focused on bringing high-quality wellness and safety programming to our members.

The highlight of the month was our Wellness Weekend, a collaborative effort between our organization and the 4 Pillars department. Together, we hosted a three-day event dedicated to promoting health and wellness programs across the community. This initiative was a massive success, and its impact was a direct reflection of the incredible teamwork between our departments and the enthusiastic participation of our members.

Throughout the month, we offered several targeted sessions that met with great success:

- Women’s Wellness: A dedicated space for health, empowerment, and self-care.
- Firearms Safety Course: An essential program focusing on community safety and responsible ownership.
- Valentine’s Themed Sessions: We hosted two festive workshops that were both exceptionally well-attended, bringing a touch of heart and creativity to the season.

We want to extend a huge thank you to everyone who helped organize these events and to all the community members who came out to participate. It is your engagement that makes these programs possible!
