URBAN LOCATIONS JULY HIGHLIGHTS

We are halfway through the summer of 2026, our staff have been very busy planning, preparing and coordinating the programs and services in our communities.

Slave Lake: Staff and members celebrated river boat days with the local community by entering a float in the town's opening parade. Members also had the opportunity to get creative, during our bench making & outdoor sign making sessions.

Edmonton: Members had a chance to focus on wellness, and team appreciation with a refreshing self-care spa day.

Peace River: Major milestone ahead! renovations to our office remain right on track. And we are looking forward to hosting our members come September!

PEACE RIVER

SLAVE LAKE

EDMONTON

On top of these activities, our staff were excited to join the Community for broader celebrations such as the Canada Day events, and the annual PTFN Treaty Days. Staff provided engaging activities for local members and some lucky winners walked away with some great prizes!

LOON RIVER JULY HIGHLIGHTS

Our Loon Lake team was hard at work last month hosting engaging sessions for the community!

Priority was given to practical wellness with an informative Injury Prevention session. While our Oskayak youth had plenty of fun cool-downs during their gatherings—enjoying delicious ice cream treats at one session and getting creative making trendy "dirty sodas" at another.

We are also thrilled to congratulate Prestly Noskey, our draw winner for the Oskayak Nikanitowin Block 1 session! To top it off, our staff loved being a part of the annual Lubicon Treaty Days and Cultural Days—getting to socialise with community members, and seeing the pure surprise and delight on their faces when they won a prize was truly priceless.
