## ONIKANEW

The Founding First Nations are pleased to introduce our new Onikanew Gladys Okemow.

Gladys was appointed by resolution for a term of 3 years as per the Awas'ak Wiyasewin. Gladys served one term as Chief of Peerless Trout First Nation. During that time she was instrumental in the development of enacting our own child and well-being law. Gladys is passionate about our youth, families & communities. She is dedicated to ensuring the well-being of our people on and off reserve.

As we transition our Child and Family Services from KTC-CFS to operate under our own law the Onikanew will advocate for, develop and deliver the Child and Family Services Program, including Child and Family Services and approval of Care Homes for Children and Families both on and off the Reserve, in accordance with the Awas'ak Wiyasiwewin. Welcome to the team Gladys!
